Action by shareholders

Shareholders entitled to attend and vote at the Annual General Meeting may appoint one or more proxies to attend, speak and vote thereat in their stead. Completion of a form of proxy will not preclude such shareholder from attending and voting (in preference to that shareholder's proxy) at the Annual General Meeting.

Proxy forms must be completed by certificated shareholders or "own name" registered dematerialised shareholders who wish to be represented at the Annual General Meeting.

Dematerialised shareholders (not with "own-name" registration) must notify their Central Securities Depository Participant ("CSDP") or broker of their intention to attend the Annual General Meeting in order for such CSDP or broker to be able to issue them with the necessary authorisation letter to enable them to attend the Annual General Meeting, or, alternatively, should the dematerialised shareholder not wish to attend the Annual General Meeting, they should provide their CSDP or broker with their voting instructions.

For administrative purposes only, we request that completed forms be emailed to proxy@computershare.co.za. Alternatively, they can be delivered to Computershare Investor Services Proprietary Limited, Rosebank Towers, 15 Biermann Avenue, Rosebank. Forms of proxy may also be submitted electronically to the chairperson before the start of the AGM or voting on any particular resolution commences as set out in this notice.

During the AGM, each shareholder will have voting rights determined in terms of the voting rights attaching to the shares held by such shareholder as set out in the MOI.

Annual General Meeting participants may be required, in terms of section 63(1) of the Companies Act, to provide identification to the reasonable satisfaction of the Chairperson of the Annual General Meeting. An official identification document issued by the South African Department of Home Affairs, a driver's license or a valid passport will be accepted as sufficient identification.

Shareholders who have any doubt as to the action they are required to take in respect of the following resolutions should consult their CSDP, broker, banker, attorney, accountant or another professional adviser immediately.

EXPLANATORY NOTE

The remuneration committee (“Remco”) is required to maintain the Company’s status quo as a responsible corporate citizen, overseeing that remuneration trends and remuneration matters are addressed and/or considered when discharging its duties. Accordingly, Emira’s Remco engaged with a third party in February 2020 to perform a comparative analysis of the fees paid to Emira’s non-executive directors (“NED”) versus a selected peer group. It was noted that Emira’s NED fees were significantly below market and Remco recommended an increase to narrow the gap. Considering the challenging economic environment, it was suggested that the recommended increase be spread over two years, with half applied to the FY21 fees and half applied to the FY22 fees. The increase recommended in resolutions 1.1 to 1.13 is the final half of the suggested increase from the benchmarking exercise.

7. Special resolution number 2: authority to provide financial assistance for the subscription or purchase of securities issued or to be issued by the Company in connection with the DMTN programme

“**Resolved that**, in terms of section 44 of the Companies Act, the shareholders of the Company hereby approve of the Company providing, at any time and from time to time during the period of 2 (two) years commencing from the date of this special resolution but subject to Board approval, any direct or indirect financial assistance as contemplated in section 44 of the Companies Act for the purpose of, or in connection with, the subscription for any securities, issued or to be issued by the Company or the Company’s subsidiaries, or for the purchase of any securities of the Company or its subsidiaries, provided that the Board from time to time, determines:

- the form, nature and extent of such financial assistance (such as the provision of guarantees for the issuance of notes in issue or to be issued under the Company’s ZAR5 billion Domestic Medium Term Note Programme);
- the terms and conditions under which such financial assistance is provided.”

EXPLANATORY NOTE

The reason for special resolution number 2 is to obtain approval from shareholders to enable the Company to provide financial assistance, when the need arises, in accordance with the provisions of section 44 of the Companies Act and as set out below:

- On 12 August 2011 Emira established its ZAR5 billion Domestic Medium Term Note Programme (the “Programme”), in terms of which Emira has issued and has the ability to issue both secured and unsecured notes (“Notes”). The current security structure allows Emira to encumber properties owned directly by Emira and indirectly by its subsidiaries as security for secured Notes issued in terms of the Programme. Section 44 of the Companies Act governs the provision of financial assistance by way of, *inter alia*, the provision of security in connection with the issue of, *inter alia*, the Notes. It is therefore necessary to obtain approval from Emira shareholders to permit the provision of such security, for example, by way of mortgage bonds, for current and future Note issuances under the Programme.

8. Special resolution number 3: authority to provide loans or other financial assistance, as contemplated in section 45 of the companies act to subsidiaries, associates and joint ventures

“Resolved that, in terms of section 45 of the Companies Act, the shareholders of the Company hereby approve of the Company providing, at any time and from time to time, but subject to Board approval at such time, during the period of 2 (two) years commencing from the date of this special resolution, any direct or indirect financial assistance as contemplated in section 45 of the Companies Act to a subsidiary, associate or joint venture of the Company, and provided that the Board is satisfied that:

- immediately after providing the financial assistance, the Company would satisfy the solvency and liquidity test; and
- the terms under which the financial assistance is proposed to be given are fair and reasonable to the Company.”

EXPLANATORY NOTE

The reason for special resolution number 3 is to obtain approval from shareholders to enable the Company to provide financial assistance, when the need arises, in accordance with the provisions of section 45 of the Companies Act. Special resolution number 3 specifically includes the provision of intercompany loans within the Group, which are provided in the ordinary course of business to subsidiaries, associates and joint venture entities.

Notice given to shareholders of the Company in terms of section 45(5) of the Companies Act of a resolution adopted by the Board authorising the Company to provide such direct or indirect financial assistance in respect of special resolution number 3:

- by the time that this Notice is delivered to shareholders of the Company, the Board will have adopted a resolution (“Section 45 Board Resolution”) authorising the Company to provide, at any time and from time to time during the period of two years commencing on the date on which special resolution number 3 are adopted, any direct or indirect financial assistance as contemplated in section 45 of the Companies Act (which includes lending money, guaranteeing a loan or other obligation, and securing any debt or obligation) to a related or inter-related company or corporation;
- the Section 45 Board Resolution will be effective only if and to the extent that special resolution number 3 are adopted by the shareholders of the Company, and the provision of any such direct or indirect financial assistance by the Company, pursuant to such resolution, will always be subject to the Board being satisfied that:
 - immediately after providing such financial assistance, the Company will satisfy the solvency and liquidity test as referred to in section 45(3)(b)(i) of the Companies Act, and
 - the terms under which such financial assistance is to be given are fair and reasonable to the Company as referred to in section 45(3)(b)(ii) of the Companies Act; and

- in as much as the Section 45 Board Resolution contemplates that such financial assistance will in the aggregate exceed one-tenth of 1% of the Company’s net worth at the date of adoption of such resolution, the Company hereby provides notice of the Section 45 Board Resolution to shareholders of the Company. Such notice will also be provided to any trade union representing any employees of the Company, if applicable.

9. Special resolution number 4: general approval to acquire ordinary shares

“Resolved that, subject to compliance with the JSE Listings Requirements, sections 46 and 48 of the Companies Act, and clause 34 of the Company’s Memorandum of Incorporation, the Company and/or any of its subsidiaries from time to time be and are hereby authorised, at their discretion, to acquire or repurchase ordinary shares issued by the Company, provided that:

- the number of ordinary shares acquired in any one financial year will not exceed 5% (five percent) of the ordinary shares in issue as at the beginning of the financial year;
- the acquisition of the ordinary shares must be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the Company and the counterparty (reported trades are prohibited);
- this authority shall only be valid until the earlier of the date of the next Annual General Meeting of the Company or 15 (fifteen) months after the date on which this resolution is passed;
- at any point in time, a Company may only appoint one agent to effect any repurchase(s) on the Company’s behalf;
- in determining the price at which the Company’s ordinary shares are acquired in terms of this general authority, the maximum premium at which such ordinary shares may be acquired will be 5% (five percent) of the weighted average of the market value at which such ordinary shares are traded on the JSE, as determined over the 5 (five) business days immediately preceding the date on which the transaction is effected;
- any such general repurchase will be subject to the applicable provisions of the Act (including sections 114 and 115 to the extent that section 48(8) is applicable in relation to that particular repurchase);

Notice of Annual General Meeting continued

- the number of shares purchased and held by a subsidiary or subsidiaries of the Company shall not exceed 5% (five percent) in aggregate of the number of issued shares in the Company at the relevant times;
- the Company may only effect the repurchase once a resolution has been passed by the Board confirming that the Board has authorised the repurchase, that the Company has passed the solvency and liquidity test (“test”) and that since the test was done there have been no material changes to the financial position of the Group;
- the Company or its subsidiaries may not acquire ordinary shares during a prohibited period as defined in paragraph 3.67 of the JSE Listings Requirements unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and has been submitted to the JSE in writing prior to the commencement of the prohibited period;
- any such general repurchases are subject to exchange control regulations and approval at that point in time; and
- an announcement in accordance with 11.27 of the JSE Listings Requirements will be released on SENS once the Company has cumulatively repurchased 3% (three percent) of the number of the ordinary shares in issue at the time this general authority is granted (“initial number”), and for each 3% (three percent) in aggregate of the initial number acquired thereafter.”

EXPLANATORY NOTE

The reason for and effect of this special resolution number 4 is to authorise the Directors, if they deem it appropriate and in the interests of the Company, to instruct the Company or its subsidiaries to acquire or repurchase ordinary shares issued by the Company, subject to the restrictions contained in the above resolution.

It is the intention of the Directors to use such authority should prevailing circumstances (including tax dispensations and market conditions) in their opinion warrant it.

Notes to the form of proxy

1. Summary of Rights Contained in section 58 of the Companies Act, 2008 (Act 71 of 2008), as amended ("Companies Act").

In terms of section 58 of the Companies Act:

- a shareholder may, at any time and in accordance with the provisions of section 58 of the Companies Act, appoint any individual (including an individual who is not a shareholder) as a proxy to participate in, and speak and vote at, a shareholders' meeting on behalf of such shareholder;
- a proxy appointment must be in writing, dated and signed by the shareholder appointing a proxy, and, subject to the rights of a shareholder to revoke such appointment (as set out below), remains valid only until the end of the relevant shareholders' meeting;
- a proxy may delegate his or her authority to act on behalf of a shareholder to another person, subject to any restriction set out in the instrument appointing such proxy;
- irrespective of the form of instrument used to appoint a proxy, the appointment of a proxy is suspended at any time and to the extent that the relevant shareholder chooses to act directly and in person in the exercise of any of such shareholder's rights as a shareholder;
- irrespective of the form of instrument used to appoint a proxy, any appointment by a shareholder of a proxy is revocable, unless the form of instrument used to appoint such proxy states otherwise;
- if an appointment of a proxy is revocable, a shareholder may revoke the proxy appointment by:
 - (i) cancelling it in writing, or making a later inconsistent appointment of a proxy and
 - (ii) delivering a copy of the revocation instrument to the proxy and to the Company; and

- a proxy appointed by a shareholder is entitled to exercise, or abstain from exercising, any voting right of such shareholder without direction, except to the extent that the relevant company's memorandum of incorporation, or the instrument appointing the proxy, provides otherwise (see note 6).
 - the completion of a form of proxy does not preclude any shareholder from attending the Annual General Meeting.
2. The form of proxy must only be completed by shareholders who hold shares in certificated form or who are recorded on the sub-register in electronic form in "own name".
 3. Shareholders who have dematerialised their shares through a CSDP or broker without "own name" registration and wish to attend the Annual General Meeting must instruct their CSDP or broker to provide them with the relevant Letter of Representation to attend the Annual General Meeting in person or by proxy. If they do not wish to attend in person or by proxy, they must provide the CSDP or broker with their voting instructions in terms of the relevant custody agreement entered into between them and the CSDP or broker. Should the CSDP or broker not have provided the Company with the details of the beneficial shareholding at the specific request by the Company, such shares may be disallowed to vote at the Annual General Meeting.
 4. A shareholder entitled to attend and vote at the Annual General Meeting may insert the name of a proxy or the names of two alternate proxies (none of whom need be a shareholder of the Company) of the shareholder's choice in the space provided, with or without deleting "the Chairperson of the meeting". The person whose name stands first on this form of proxy and who is present at the Annual General Meeting will be entitled to act as proxy to the exclusion of those proxy(ies) whose names follow. Should this space be left blank, the proxy will be exercised by the Chairperson of the meeting.

5. A shareholder is entitled to one vote on a show of hands and, on a poll, one vote in respect of each ordinary share held. A shareholder's instructions to the proxy must be indicated by the insertion of the relevant number of votes exercisable by that shareholder in the appropriate space provided. If an "X" has been inserted in one of the blocks to a particular resolution, it will indicate the voting of all the shares held by the shareholder concerned.

Failure to comply with this will be deemed to authorise the proxy to vote or to abstain from voting at the Annual General Meeting as he/she deems fit in respect of all the shareholder's votes exercisable thereat. A shareholder or the proxy is not obliged to use all the votes exercisable by the shareholders or by the proxy, but the total of the votes cast and in respect of which abstention is recorded may not exceed the total of the votes exercisable by the shareholder or the proxy.

6. A vote given in terms of an instrument of proxy shall be valid in relation to the Annual General Meeting notwithstanding the death, insanity or other legal disability of the person granting it, or the revocation of the proxy, or the transfer of the ordinary shares in respect of which the proxy is given, unless notice as to any of the aforementioned matters shall have been received by the transfer secretaries not less than 48 (forty eight) hours before the commencement of the Annual General Meeting.
